SEATTLE SOUTH LAKE UNION AND VANCOUVER DOWNTOWN - HOWE

Encapsulating two iconic cities' storied past and innovative future, these landmark new hotels offer guests the chance to explore the city and stay a while

FOR IMMEDIATE RELEASE:

VANCOUVER, CANADA (January 20th 2022) - Level Hotels & Furnished Suites, known for their upscale accommodations and plentiful services, are expanding their catalogue with two new properties set to open in 2022. The extended and nightly stay hotel collection is proud to announce the grand openings of their new Seattle South Lake Union and Vancouver Downtown – Howe locations. Seattle South Lake Union, opening early Spring 2022, will mark the brand's first location in the cosmopolitan northwest city and Howe, opening February 1st 2022, will become the third member of the brand's Vancouver family.

Guests at both locations will enjoy a home-away-from-home experience, with exquisite city views, rooftop pool access, in-suite laundry, modern interior design, open-air balconies and exemplary hosting amenities.

As the first of its kind in the Emerald City, guests have the option to either stay overnight, or call these magnificent furnished properties a temporary home with no year-lease commitment. LEED Certified, this property, set in one of Seattle's most exciting neighborhoods, will offer 272 units, 2 luxury penthouses and 24 sky suites. They're complete with full kitchens that feature gas stoves and the latest integrated appliances.

The development of this new destination was led by Architect Chris Dikeakos of the Architectural Group, with furnishing by Robert Bailey, a prominent Vancouver-based interior designer. These new state-of-the-art units will boast a range of 523 – 1847 square feet. The property will also feature over 70,000 square feet of unrivaled amenity space which will include 3 pools: 2 outdoor and one rooftop, along with 3 hot tubs and 1 cold plunge pool, making it one of seven hotels in the Seattle area to offer a rooftop pool. South Lake Union will also offer entertainment and athletic amenities, including an indoor basketball court, karaoke room and a climbing wall.

With the opening of Seattle South Lake Union this Spring, Level continues their boisterous effort of expansion and rebranding during the tumultuous times of the COVID-19 Pandemic. Seattle's opening will officially double the brand's inventory since 2020 with four new locations opening in two years.

For travelers making their way through Vancouver, the Level Vancouver Downtown – Howe is available solely for extended 30+ night stays, making this destination perfect for the new age of remote work and for digital nomads looking for a long-term change of scenery. The suites will feature studio, one-, two- and three-bedroom options. Engineered by the IBI Architectural Group and furnished by ONNI's in-house design team, Howe will cement the Level brand to have the largest furnished serviced apartment inventory in Vancouver with 431 units and 1 luxury penthouse. Accommodations at Howe will range from 409 to 1,072 square feet and will offer spa-inspired bathrooms complete with marble finishes.

In celebration of this grand opening, Level is partnering with Legends Haul, a local Vancouver grocery delivery service, to bring potential guests "The Suite Haul." This will offer guests \$100 in weekly groceries for the first month of their stay. This offer is only valid for reservations made before March 30, 2022, for stays arriving before March 31, 2022 at Level Vancouver Downtown – Howe only. They cannot be combined with any other offer or contracted group rates.
